

November, 2015

Dear Communion Set-up People,

First of all, thank you for signing up to prepare the communion elements. You will NOT need to provide a loaf of bread, **Gluten Free Bread** will be provided by the worship committee. When you set up, one loaf should be cut most of the way through so it can easily break. Frozen loaves are in the small freezer, and can be cut prior to church and will thaw by the time they are broken. Cut up cubes of bread which will be provided, should be arranged on two plates for individual serving. Provide two other empty plates or baskets for the used small cups to be collected. Use paper napkins or towels to line these baskets.

The other things you will need are stored in the right-hand side of the kitchen. In the lower level you will find the trays; extra wine and white grape juice are also found there. Also check the refrigerator for open bottles of each. Baskets are in the cupboard labeled as such. Cloths are above the sink, also with reminders about set-up. Remember to make most of the inside rings with grape juice so we don't run out. If you have questions about set up please contact Kathy Johnson, 238-1785. You will get a reminder with the 4 month mailing of worship assistants, but please keep this list handy for trading if necessary. Thanks again.

Schedule: for 2016

December 20-John Gern

January 3-Marily Crews Nelson

January 17-Dottie Brugge

February 7-Rich Olson

February 21-JoAnne Streit

March 6-Myrna McNatt
