2018 — Opportunities at Madison Christian Community

As you can see, there are *many* ways to participate in the ongoing life and ministry of the Madison Christian Community. Where are you being called to volunteer in ways that will feed your soul and enable us to continue our vibrant witness of faith? You are invited to indicate your interest for any of the activities listed. It takes *all* of us—children, youth, and adults—to keep us humming as the MCC, striving toward our mission of loving God, neighbor and creation and reaching others with God’s good news of love for all!

All of our volunteer opportunities are now online in our Ministry Scheduling Pro (MSP) tool, where you are encouraged to add or edit your ministry preferences. If you need our office staff to update your MSP profile with your interests, please take this booklet. On the pages that follow, **put your name/initials** where you would be willing to give your time and talents and put a ? where you would like more information before deciding. If there are multiple people in your family/household, you can each list your name/initials or pick up a separate form to fill out, if you prefer.
