

2018 Guide to Read the Whole Bible

Did you know there are two testaments to the Bible, but only one God? That this strange story is a library of 66 books (at least in most of our Bibles)? Did you know that, though inspired by faith and the Spirit, the authors of these books have some VERY different viewpoints?

The Bible has 1189 chapters (again, in our typical Protestant versions) broken down to 31,102 verses. Overall, it means you'll be reading around $3\frac{1}{4}$ chapters or about 82 verses per day to make it through the whole book in 365 days.

I put this together to keep flow going. Selections read through whole books, on average pairing two Old Testament chapters with one from the New (or a Psalm). This gives variety and extra inspiration to your reflection, rather than a front-to-back slog. At some points, you'll find fun juxtapositions, things that really strike your mood, overlapping connections to Monday worship, and more.

Beyond that, do what works for you. Skip or skim. Ask for summary guides. Join monthly discussions. Check out www.EnterTheBible.org. Whatever you do, enjoy the experience. And keep your eye peeled for a God of blessing, the sort we know in Jesus. That's the main point!

Monday, January 1 John 1	Genesis 1-2
Tuesday, January 2 John 2	Genesis 3-4
Wednesday, January 3 John 3	Genesis 5-6
Thursday, January 4 John 4	Genesis 7-8
Friday, January 5 John 5	Genesis 9-10
Saturday, January 6 John 6	Genesis 11-12
Sunday, January 7 John 7	Genesis 13-14
Monday, January 8 John 8	Genesis 15-16
Tuesday, January 9 John 9	Genesis 17-18
Wednesday, January 10 John 10	Genesis 19-20
Thursday, January 11 John 11	Genesis 21-22
Friday, January 12 John 12	Genesis 23-24
Saturday, January 13 John 13	Genesis 25-26

Sunday, January 14 John 14	Genesis 27-28
Monday, January 15 John 15	Genesis 29-30
Tuesday, January 16 John 16	Genesis 31-32
